A MESSAGE FROM THE COORDINATOR

On behalf of the Board of the Fredericton Amateur Speed Skating Club Inc. (FASSCI), our volunteers, parents and skaters, thank you for including the 38th annual Harold Joyce Speed Skating Competition in your schedule. We welcome you to the beautiful Grant Harvey Centre, home of FASSCI.

I do not know how to thank all those who work tirelessly to ensure that the skaters have a successful weekend. As with every meet our skaters participate in throughout the year, there seems like an endless number of people who give selflessly of themselves to ensure these meets are organized and operated smoothly. I thank all the volunteers from our club and other clubs that do so much for the skaters today and throughout the season.

Running an annual event now in its 38 year is an amazing accomplishment. I would like to acknowledge all those who have played a part in any of the previous incarnations of the Harold Joyce Invitational Short Track Championship. They have set the bar high and we all hope to match or exceed expectations of everyone that has attended previously and those of the skaters attending for the first time.

For our out of town guests, thank you for travelling to Fredericton and participating in our meet. If there is anything I or anyone from the Fredericton Club can do to make your visit with us more enjoyable please let us know. Thank you to the City of Fredericton, the staff of Grant Harvey Centre and to all the businesses that have supported our Club.

Have a wonderful weekend! Skate safe! Have fun!

Tim Cushing 506- 230-6406 Meet Coordinator Harold Joyce 2024

THE HISTORY OF HAROLD JOYCE

Harold Joyce was born July 3, 1927. He enjoyed speed skating and by the age of 9 he won his first speed skating medal (1937). Unlike today where we have very controlled ice surfaces in our rinks, during Harold's skating career, most competitions took place outdoors on lakes. The two big Maritime meets were held in Saint John, N.B and Dalhousie, N.B, and these would draw large crowds.

The Second World War put a temporary stop to his speed skating career, but afterward he was able to compete again. Harold continued competing until the age of 55. Highlights of a long career include skating for the Lake Placid Team in New York State for 4 years before returning to New Brunswick to settle down. In 1982 Harold won 8 medals in the Senior Olympic in Lake Placid and in 1987 he return to competition at the Canadian Outdoor Championships held at Lily Lake. In the first three events of this Outdoor Championship, Harold finished second to his main rival Johnny Quigg. This was disappointing, but Harold gave it his all in the final mile long race

and edged out his rival to take home the gold.

Harold was a Lifetime Associate member of the Fredericton Amateur Speedskating Club where he kept in touch with the sport after he retired from competition. Up to the time of his passing in 2017, Harold was present to hand out medals at the meet named in his honor.
